

# Learn About Electric Vehicles!

*Belmont Drives Electric (BDE) invites you to participate in the next EV information and test drive event:*

**Saturday, Nov. 12**  
**Belmont High School**

**1:30 - 2:30: Info Session (BHS Cafeteria)**

- Goals and benefits for adoption of Electric Vehicles in Belmont
- Affordability of EVs (Federal/State incentives, Belmont Light rebates)
  - Charging EVs at home, at work and on the road
  - Q&A with EV owners and specialists

**2:30 - 4:30: Test Drive EVs (BHS parking lot)**

- Several dealers and local owners will have EVs available to check out and test drive (pre-register at the website or just show up)
- Your chance to experience and compare today's modern EVs and plug-in hybrids (PHEV) at the same time

*Light refreshments will be served*

**Can't make it? RSVP to stay informed, talk to a volunteer EV coach or set up a free test drive at:**

**[www.BelmontDrivesElectric.org](http://www.BelmontDrivesElectric.org)**

**Call (617) 855-5405 or email [Help@BelmontDrivesElectric.org](mailto:Help@BelmontDrivesElectric.org).**

*Electric vehicles available  
for demo or test drives  
include:*

**TESLA**

**BMW i3**

**NISSAN LEAF**

**CHEVY VOLT**

**VW E-GOLF**

**AND MORE...**

*Belmont Drives Electric is a community program for Belmont residents sponsored by the Belmont Energy Committee, Belmont Light, Sustainable Belmont, and Belmont residents enthusiastic about EVs.*
